Dear Friends,

**The Sinai Temple Religious School is providing an opportunity for you to wish all of your fellow congregants a Happy New Year in a congregational greeting card.**

For many years, it has been our community's tradition to support the religious school by contributing a minimum of \$18 to list a family's name in a congregational card. The donations help to support the Religious School and the many programs that we offer.

The Talmud says:

*"There is no happiness like the happiness of giving to another."*

Please join us in giving to one another and sharing with us the joy of wishing our Sinai Temple friends and families best wishes for the upcoming year.

Please send your checks of \$18 or more to the Sinai Temple Religious School, attention High Holiday Greetings. Using the form below, please let us know how you would like your family to be listed.

We would appreciate your listing prior to **Tuesday, September 9, 2014** to allow enough time for printing and mailing. There will be a table set up at religious school registration, Sunday, September 7th, where you can give your donation and paperwork for the greeting card. The first night of Rosh Hashanah is Wednesday, September 24, 2014.

We appreciate your generosity and support. May the new year bring you and your family much health and happiness.

L'Shanah Tova,

Natalie Frankenberg  
Education Committee Chair

Rabbi Jody Cook  
Education Director
